Workshop for young ceramists

Promoting your research results

November 26-27, 2018
Area della Ricerca del CNR, Bologna

<http://www.istec.cnr.it/index.php/eng/upcoming-events/962-workshop-for-young-ceramists-eng>

Organizing Committee:

- **Dr. Laura Silvestroni (CNR- ISTECE Faenza, Società Ceramica Italiana)**
- **Dr. Carmen Galassi (CNR- ISTECE Faenza, Società Ceramica Italiana)**
- **Prof. Elisabetta Di Bartolomeo (Università Roma Tor Vergata, Roma)**
- **Dr. Michele Dondi (CNR- ISTECE Faenza, Società Ceramica Italiana)**

TARGET

The workshop is targeted at master and PhD students and young researchers at the early career stage (below 35 years old) from any of the ECerS member and associated countries who deals with ceramic materials in the field of Synthesis, Processing, Sintering, Microstructure, Properties and Modeling.

WHY ATTENDING?

- ❖ 3 invited speakers will provide useful insights about how to sharing and showcasing research data, submit and promote papers to present your research results via different communication routes:
 - soft skills to improve your performance as a speaker;
 - introduction to new approaches to disseminations (videos, data papers).
- ❖ Debate about ceramic science and technology in a fully multidisciplinary context.
- ❖ National competition to select the Italian candidate for the Student Speech Contest (SSC) at the XVI ECerS Conference in Turin (<http://www.ecers2019.org/>). All expenses of the winner will be offered by ICerS and the conference organization.
