

**CONSORZIO INTERUNIVERSITARIO NAZIONALE  
PER LA SCIENZA E TECNOLOGIA DEI MATERIALI**

Ancona, 26/09/2016

**Subject: Communication n. 9/16 for a Post Doc Research Fellow Position in  
H2020 DREAM research project.**

The Examination Board for the communication in the subject, formed by Prof. Paolo Mengucci and Prof. Gianni Barucca, met in the Department of Materials, Environmental Sciences and Urban Planning of Università Politecnica delle Marche on the 23/09/2016, in order to evaluate the applications received.

After a careful examination of the applications received, the Examination Board declares Dr. Eleonora Santecchia winner of the contest for the position of Post Doc Research Fellow related to *“Structural characterization of materials and devices produced by additive manufacturing techniques”*.

Signed

The Examination Board
