

## TRAINEES SELECTED FOR GRANT AWARD

Dear participants to the Summer school “Atomic Layer Deposition: Method and Applications” in the following table you find the list of the eligible trainees which have been selected for grant award.

The grant corresponds to a lump-sum reimbursement of 650 Euro. Please note that in order to receive the grant you must have regularly paid your registration fee and have participated to the summer school. The lump-sum reimbursement will take place on the basis of each day attendance sheet signature, and you will receive it directly by HERALD.

To request the grant each Trainee must register for an e-COST profile at <https://e-services.cost.eu> where your bank details must be added.
