

Announcement of Selection nr. 6/16 Publication date 24/05/2016

1 Research Fellow Position in H2020 SALTGAE research project.

In the framework of the H2020 IA project “Demonstration project to prove the techno-economic feasibility of using algae to treat saline wastewater from the food industry – SALTGAE” (expected starting date 01/06/2016), one research position is available at the INSTM Research Unit of Milano Politecnico, Department of Chemistry, Materials and Chemical Engineering “Giulio Natta”, Politecnico di Milano.

Project: Polymeric materials from renewable sources

The main activities of the researchers will be focused on synthesis and microstructural characterization of new polymeric materials derived from renewable sources

Scientific Responsible: Prof. Stefano Turri

Our Offer: the basic position is for “Ricercatore Junior 2”. The monthly gross salary will be about € 1.805,00 depending on the research experience and results. The health insurance is covered by the social security system.

The formal appointment is subject to the effective signature of the H2020 project "SALTGAE" Grant Agreement and related funding.

Starting date and duration: 1 July 2016; Duration 12 months (renewable)

Your profile: Ms degree in Chemistry or Industrial Chemistry, thesis work concerning polymer chemistry and/or green chemistry, previous job experience in development and application of materials in relevant industrial environments, good written and spoken English.

Deadline: 03/06/2016

How to apply: Please submit your motivation letter + detailed CV by e-mail to the scientific coordinator of the SALTGAE project, Prof. Stefano Turri, stefano.turri@polimi.it and to the INSTM administrative office, segreteria@instm.it.

Please quote the Announcement number in the e-mail subject.

INSTM, in its sole judgment, reserves the right not to hire somebody, should the applications received, being unsuitable against the subject of the announcement or the expertise needed.

In any case, INSTM, based on actual needs, convenience or opportunity, in its sole judgment and without notification, reserves the right not to open the position.

In order to comply with Italian law (art. 23 of Privacy Law of the Italian Legislative Decree n. 196/03), the candidate is kindly asked to give his/her consent to allow Consorzio INSTM to process his/her personal data.

We inform you that the information you provide will be solely used for the purpose of assessing your professional profile to meet the requirements of Consorzio INSTM. Your data will be processed by Consorzio INSTM, with its headquarters in Florence, Via Giusti 9, acting as the Data Holder, using computer and paper-based means, observing the rules on the protection of personal data, including those relating to the security of data. Please also note that, pursuant to art.7 of Legislative Decree 196/2003, you may exercise your rights at any time as a party concerned by contacting the Data Manager.
