

**CONSORZIO INTERUNIVERSITARIO NAZIONALE
PER LA SCIENZA E TECNOLOGIA DEI MATERIALI**

Firenze, 07/06/2016

**Subject: Communication n. 6/16 for a Research Fellow Position in H2020
SALTGAE research project.**

The Examination Board for the communication in the subject, formed by Prof. Stefano Turri and Prof. Marinella Levi, met in the Department of Chemistry, Materials and Chemical Engineering "Giulio Natta" of the Politecnico di Milano on the 07/06/2016, in order to evaluate the applications received.

After a careful examination of the applications received, the Examination Board declares Dr. Alessio Caretto winner of the contest for the position of Junior Researcher 2 related to "*Polymeric materials from renewable sources*".
