

Announcement of Selection nr. 34/17 - Publication date: 25/09/17

1 “Collaborazione coordinate e continuative” position in H2020 POLYBIOSKIN research project.

In the framework of the “High performance functional bio-based polymers for skin-contact products in biomedical, cosmetic and personal care industry – PolyBioSkin- GA745839” H2020 project, one “Collaborazione coordinata e continuativa” position is available at the INSTM Research Unit of University of Pisa, Department of Civil and Industrial Engineering.

Procedure: competition exclusively on the basis of qualifications.

Title of the activities to be performed: Extrusion and testing of biobased films for personal care and cosmetic applications.

Brief description of the activities to be performed: The collaborator will take part to the laboratory activities related to the preparation and characterization of films from renewable sources for applications in the personal care sector and cosmetic sector. The collaborator will participate also to elaboration of data as well as the redaction of technical-scientific reports concerning the Polybioskin project activities of INSTM unit.

Scientific Responsible: Dr. Maria Beatrice Coltelli.

Our Offer: the position is for a “Collaborazione coordinata e continuativa”. The monthly gross salary for this position will be about € 1.630,00.

Starting date and duration: approx. from November 1st 2017 to June 30th 2018 (8 Months).

Your profile: Candidates must have the following qualifications:

Experiences in nano-structured biomaterials

Experience in processing of polymers, in particular extrusion and flat die extrusion

Experience in the characterization of films

Experience in surface characterization and modifications of polymeric films

Working Experiences: research activity about production and characterization of biobased and nanostructured films.

Languages: English - Fluency: good

Deadline: 05/10/2017

How to apply: Please submit the Application Form (All. A) duly filled in and signed plus a motivation letter (dated and signed), a signed CV in European Format and the copy of a valid ID. All documentation to be sent via e-mail to the Scientific Responsible in Charge (maria.beatrice.coltelli@unipi.it) and to the INSTM administrative office, segreteria@instm.it.

Please quote the Announcement number in the e-mail subject.

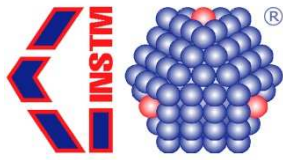

The Senior Researcher in Charge, shall solely select the successful candidate on the applications received. INSTM shall announce the selection results on its website.
